PROPOSED MTTP PROJECT TIME LINE

- Socialized MTTP idea with Service acquisition staffs - initial ACTO response positive
- OCS CBA tentatively identified these initiatives as a potential "low handing fruit"
- Provided information briefing at April 2010 OCS COI meeting – idea well received.

We are here.

- Army ATTP 4-10 Approval: 3rd Qtr FY10
- Gain OSD FCIB COC approval to begin MTTP project and to consider making the Army website the official DOD-wide tactical level OCS info sharing site: TBD
- Link MTTP effort with cASM development: TBD

This process depicts the "generic OCS process" and does not reflect all implementing guidance, as well as current theater-specific standing operating procedures which vary by theater and comman
Is your unit prepared for the rigors of contracting on the battlefield?
Best reference tip: MAAWS (Weapons As A Weapon System) book is the best reference to start understanding the process (see MAAWS handbook folder below).
Best training tip: Enroll in the OCS resident training certification course. Two week course offered by Army Logistics University trains students in everything the units needs to know about contracting before deployment

OCS COURSE AND 3C ASI UPDATE

OCS Initiatives Upda

OCS COURSE and 3C ASI UPDATE

- **OCS Course**
  - ✓ Resident and MTT classes continue
  - ✓ Some confusion on target audience with units sending the students
  - ✓ ALT-IO continues instructor support; ALU adding second instructor
  - ✓ Good feedback on instruction and content to date

- **OCS Planning and Management 3C ASI**
  - ✓ ASI is approved, but TOEs are not documented
  - ✓ Plan is to document over 2,000 positions for FY13-FY19
  - ✓ Only full time positions are in TSC, ESC and sustainment bdes
  - ✓ Many deploying units are forming OCS cells now w/o formal TOE documentation
